

## **Call for Young Scientist applications**

Owing to the support provided by the IIA, we are pleased to announce the call for applications of young scientists and students. The eligible candidates should be under 35 years old at the time of conference (that is, born on 26/08/1983 or later). Selected applicants will receive grants/awards to cover fully or partially their conference fees. They will be invited to present their contributions in the form of short talks at the special Young Investigator Session during the IRaP symposium. We encourage the young scientists and students to send their abstracts, short CV (containing the information on the date of birth and current professional status and not exceeding one page) and publication list to [irap2018@rad.chem.msu.ru](mailto:irap2018@rad.chem.msu.ru) **not later than April 30. Even if the abstract was already submitted, please send it again to this address.**

The selection will be made by the joint commission of IRaP and IIA according to the criteria of scientific excellence, novelty of research and regional representation.

The applicants will be notified about the decision **by May 14, 2018.**
